

A high-angle photograph of a tropical beach. The water is a vibrant turquoise color, transitioning to a deeper blue further out. The beach is a wide, sandy strip of white sand, bordered by dense, lush green tropical vegetation on the right side. Several people are visible on the beach and in the shallow water. In the background, there are dark, forested hills under a clear blue sky with a few wispy clouds. The text is overlaid on the image in a bright yellow color.
